SECRETARY TO GOVERNMENT
CIVIL SUPPLIES DEPARTMENT
No. Sir,
Re. Subject:-

Special staff for clearance of consignments at the railhead in K.G.F. - Continuance of.

Adverting to F.O.No.SD.9810-12/A.150-45-13 dated 20th May 1947, according sanction to the continuance of the special staff in K.G.F. for clearance of consignments on the existing scales of pay till the end of June 1947, I have the honour to forward herewith a copy of letter No.FS.HC.4421/46-47 dated 18-6-1947, together with its enclosure received from the Deputy Commissioner Kolar District, Kolar, requesting for the continuance of the said staff as long as the food operations scheme continues.

2. In the circumstances, I request that sanction of Government may be kindly obtained to the continuance of the existing staff cited in the G.O. under advertance till the end of June 1948.

I have the honour to be,
Sir,
Your most obedient servant,

DIRECTOR OF FOOD SUPPLIES.

njs.

Letter No.RC.3188/46-47, dated 10/6/47, from the Food Rationing Authority, Kolar Gold Fields, to the Deputy Commissioner, Kolar District, Kolar.

Regarding continuance of the Special Staff appointed for the Clearance of food grains at Kolar Gold Fields.

--

With reference to your Memo No.FS.4216/46-47, dated the 31st May 1947 forwarding a copy of the G.O.No.SD.810-12/A.150-46-13, dated the 20th May 1947, for according sanction to the continuence of the marginally noted special staff till the end of June, 1947, I have the honour to state that the entire work connected with the clearance, transportation etc., of all the commodities arriving here is entrusted to the special staff and as such, its continuance is absolutely necessary I have all along been representing to you that the executive staff appointed for this area is inadequate to cope up with the food work of this vast area and I have been urging the need for its reinforcement. The other executive staff appointed for this area comprises of only one Food Inspector and three assistant Food Inspectors and they cannot be burdened with the work connected with the receipt of consignments. As such, the continuance as long as the other Food staff is continued, may kindly be obtained.

1. Special Sheristadar on	Rs. 60 +	C.A. Rs.	10/-.
1. Special Revenue Inspector	40	"	10/-.
2. Depot Clerks.	30	each.	
4. P e o n s.	11	each.	

Regarding the scales of pay sanctioned to this staff, I may point out that the pay is quite inadequate. The basic scales of pay sanctioned to the Special staff at Bowringpet have not been sanctioned. The Special Sheristadar and the Special Revenue Inspector appointed for the receipt of Foreign consignments at Bowringpet draw Rs.80/- and Rs.50/- respectively and there is no reason why they should drew less here. The average number of bags that are handled by the Special staff here is about 15,000 per month. The pay sanctioned to the Special Sheristadar and the other staff is throughly inadequate and not commensurate with the arduous nature of their duties. In view of the fact that the entire work of the receipt, transportation etc. of all the consignments received here is looked after by the Special staff and they have very responsible duties to perform, I request that sanction of Government may kindly be obtained for the enhancement of their pay as per the basic scales previously recommended with retrospective effect from the date the appointments have been sanctioned.
